

pulse\_close

```
graph LR; A[pulse_close] --> B[ff_timefilter_destroy]
```

A diagram showing a call from pulse\_close to ff\_timefilter\_destroy. The pulse\_close box is shaded gray, and the ff\_timefilter\_destroy box is white. A blue arrow points from the right side of the pulse\_close box to the left side of the ff\_timefilter\_destroy box.

ff\_timefilter\_destroy
