

aic_decode_frame

```
graph LR; A[aic_decode_frame] --> B[aic_decode_header];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'aic_decode_frame'. The right box is light gray with a black border and contains the text 'aic_decode_header'. A dark blue arrow points from the right side of the left box to the left side of the right box, indicating a directional relationship or pointer.
