

vdpau_h264_start_frame

```
graph LR; A[vdpau_h264_start_frame] --> B[vdpau_h264_set_reference_frames]
```

A flow diagram consisting of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'vdpau_h264_start_frame'. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'vdpau_h264_set_reference_frames'.
