

av_get_channel_description

```
graph LR; A[av_get_channel_description] --> B[av_get_channel_layout_nb_channels]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'av_get_channel_description'. The right box is white and contains the text 'av_get_channel_layout_nb_channels'. A dark blue arrow points from the right side of the gray box to the left side of the white box.
