

libopenjpeg\_matches  
\_pix\_fmt

```
graph LR; A["libopenjpeg_matches<br/>_pix_fmt"] --> B["av_pix_fmt_desc_get"]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text "libopenjpeg\_matches" on the top line and "\_pix\_fmt" on the bottom line. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text "av\_pix\_fmt\_desc\_get".

av\_pix\_fmt\_desc\_get
