

xml_print_section_header

```
graph LR; A[xml_print_section_header] --> B[printf]
```

A diagram showing a horizontal flow from left to right. On the left is a gray rectangular box with a black border containing the text 'xml_print_section_header'. A dark blue arrow points from the right side of this box to a white rectangular box with a black border on the right, which contains the text 'printf'.

printf
