

sierpinski_request
_frame

```
graph LR; A[sierpinski_request_frame] --> B[draw_sierpinski]
```

A flow diagram with two rectangular boxes. The left box is white with a black border and contains the text 'sierpinski_request' on the top line and '_frame' on the bottom line. A dark blue arrow points from the right side of this box to the left side of a second box. The second box is gray with a black border and contains the text 'draw_sierpinski'.
