

temporal\_luma\_motion  
\_vector

```
graph LR; A[temporal_luma_motion_vector] --> B[ff_thread_await_progress]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text 'temporal\_luma\_motion\_vector'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'ff\_thread\_await\_progress'.

ff\_thread\_await\_progress
