

ape_decode_frame

```
graph LR; A[ape_decode_frame] --> B[init_frame_decoder]; B --> C[init_filter];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is white with a black border and contains the text 'ape_decode_frame'. A dark blue arrow points from the right side of this box to the left side of the second box. The second box in the middle is also white with a black border and contains the text 'init_frame_decoder'. Another dark blue arrow points from the right side of this box to the left side of the third box. The third box on the right is light gray with a black border and contains the text 'init_filter'.
