

transpose\_8x8\_48\_c

```
graph LR; A[transpose_8x8_48_c] --> B[transpose_block_48_c]
```

A diagram showing a transformation. On the left, a gray rectangular box contains the text 'transpose\_8x8\_48\_c'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'transpose\_block\_48\_c'. Both boxes have a black border.

transpose\_block\_48\_c
