

get_stream_info

```
graph LR; A[get_stream_info] --> B[av_get_channel_layout_nb_channels]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'get_stream_info'. The right box is white and contains the text 'av_get_channel_layout' on the top line and '_nb_channels' on the bottom line. A dark blue arrow points from the right side of the gray box to the left side of the white box.
