

mmap_start

```
graph LR; A[mmap_start] --> B[AERROR]
```

A diagram showing a flow from a box labeled 'mmap_start' to a box labeled 'AERROR'. The 'mmap_start' box is shaded gray, while the 'AERROR' box is white. A blue arrow points from the right side of the 'mmap_start' box to the left side of the 'AERROR' box.

AERROR
