

idct\_put

```
graph LR; A[idct_put] --> B[ff_ea_idct_put_c]; B --> C[ea_idct_col];
```

A flowchart with three rectangular boxes connected by arrows. The first box on the left is shaded gray and contains the text 'idct\_put'. A dark blue arrow points from its right side to the second box, which is white with a black border and contains 'ff\_ea\_idct\_put\_c'. Another dark blue arrow points from the right side of the second box to the third box, which is also white with a black border and contains 'ea\_idct\_col'.
