

transpose_8x8_64_c

```
graph LR; A[transpose_8x8_64_c] --> B[transpose_block_64_c]
```

A diagram showing a transformation from a function to a block. On the left, a gray rectangular box contains the text 'transpose_8x8_64_c'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'transpose_block_64_c'. Both boxes have a black border.
