

av_strcasecmp

```
graph LR; A[av_strcasecmp] --> B[av_tolower]
```

A diagram showing a call from the function `av_strcasecmp` to the function `av_tolower`. The `av_strcasecmp` box is shaded gray, and the `av_tolower` box is white. A blue arrow points from the right side of the `av_strcasecmp` box to the left side of the `av_tolower` box.

av_tolower
