

qsv\_device\_free

```
graph LR; A[qsv_device_free] --> B[av_buffer_unref]; B --> C[buffer_replace];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'qsv\_device\_free'. A dark blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'av\_buffer\_unref'. Another dark blue arrow points from the right side of the second box to the left side of the third box. The third box is white with a black border and contains the text 'buffer\_replace'.

av\_buffer\_unref

buffer\_replace
