

sls_flag_check_duration
_size_index

```
graph LR; A[sls_flag_check_duration_size_index] --> B[AERROR]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'sls_flag_check_duration' on the top line and '_size_index' on the bottom line. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'AERROR'.
