

ff_tx_init_mdct_fft

```
graph LR; A[ff_tx_init_mdct_fft] --> B[ff_tx_gen_compound_mapping]
```

A flow diagram consisting of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'ff_tx_init_mdct_fft'. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'ff_tx_gen_compound_mapping'.
