

check_decode_result

```
graph LR; A[check_decode_result] --> B[exit_program]
```

A flowchart consisting of two rectangular boxes connected by a horizontal arrow. The first box on the left is light gray with a black border and contains the text 'check_decode_result'. A dark blue arrow points from the right side of this box to the left side of the second box. The second box on the right is white with a black border and contains the text 'exit_program'.

exit_program
