

release\_frame\_buffer

```
graph LR; A[release_frame_buffer] --> B[av_buffer_unref]; B --> C[buffer_replace];
```

A flowchart illustrating a sequence of three operations. The first operation, 'release\_frame\_buffer', is highlighted with a gray background. A blue arrow points from it to the second operation, 'av\_buffer\_unref', which has a white background. Another blue arrow points from the second operation to the third operation, 'buffer\_replace', which also has a white background. All three operations are contained within rectangular boxes with black borders.

av\_buffer\_unref

buffer\_replace
