

av1_decode_frame

av1_decode_init

set_context_with_sequence

```
graph LR; A[av1_decode_frame] --> C[set_context_with_sequence]; B[av1_decode_init] --> C;
```

The diagram illustrates a dependency or call relationship. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'av1_decode_frame' and the bottom box contains 'av1_decode_init'. On the right, there is a single gray rectangular box with a black border containing the text 'set_context_with_sequence'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the gray box, indicating that both 'av1_decode_frame' and 'av1_decode_init' call or depend on 'set_context_with_sequence'.
