_chroma422_intra

```
graph LR; A[h264_h_loop_filter_chroma422_intra] --> B[h264_loop_filter_chroma_intra]
```

A diagram showing a transformation from a source function to a target function. The source function, 'h264_h_loop_filter_chroma422_intra', is enclosed in a gray rectangular box on the left. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The target function, 'h264_loop_filter_chroma_intra', is enclosed in the white box. Both boxes have a thin black border.
