

E:/github/ffmpeg/libavcodec
/videodsp.h

```
graph TD; A["E:/github/ffmpeg/libavcodec<br/>/videodsp.h"] --> B["stddef.h"]; A --> C["stdint.h"];
```

The diagram illustrates the include relationships for the file `E:/github/ffmpeg/libavcodec/videodsp.h`. A central box at the top represents this file. Two arrows originate from its bottom edge and point downwards to two separate boxes. The left box is labeled `stddef.h` and the right box is labeled `stdint.h`, indicating that `videodsp.h` includes both of these standard C header files.
