

xyz_to_cube

```
graph LR; A[xyz_to_cube] --> B[rotate_cube_face]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The first box on the left is shaded gray and contains the text 'xyz_to_cube'. A dark blue arrow points from the right side of this box to the left side of the second box. The second box on the right is white with a black border and contains the text 'rotate_cube_face'.
