

ff_dct_unquantize_h263
_inter_mmi

```
graph LR; A["ff_dct_unquantize_h263_inter_mmi"] --> B["__asm__"]
```

A diagram consisting of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'ff_dct_unquantize_h263' on the top line and '_inter_mmi' on the bottom line. A dark blue arrow points from the right side of this box to the left side of a second, white box on the right. The white box contains the text '__asm__'.
