

vaapi_frames_init

```
graph LR; A[vaapi_frames_init] --> B[vaapi_pool_alloc];
```

A diagram showing a call from the function `vaapi_frames_init` to the function `vaapi_pool_alloc`. The first box is white with a black border, and the second box is gray with a black border. A blue arrow points from the right side of the first box to the left side of the second box.
