

opencl_device_create

opencl_device_derive

opencl_enumerate_devices

```
graph LR; A[opencl_device_create] --> C[opencl_enumerate_devices]; B[opencl_device_derive] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two white boxes with black borders, one above the other. The top box contains the text 'opencl_device_create' and the bottom box contains 'opencl_device_derive'. To the right of these is a single gray box with a black border containing the text 'opencl_enumerate_devices'. Two blue arrows point from the right side of the top white box to the left side of the gray box, and another two blue arrows point from the right side of the bottom white box to the left side of the gray box.
