

get_object_type

```
graph LR; A[get_object_type] --> B[get_bits]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'get_object_type'. The right box is white and contains the text 'get_bits'. A dark blue arrow points from the right side of the gray box to the left side of the white box.

get_bits
