

av_ts_make_time_string

```
graph LR; A[av_ts_make_time_string] --> B[av_q2d]
```

A diagram showing a call from the function `av_ts_make_time_string` to the function `av_q2d`. The first box, containing `av_ts_make_time_string`, is shaded gray and has a thick black border. A blue arrow points from the right side of this box to the left side of the second box. The second box, containing `av_q2d`, is white and has a thin black border.

av_q2d
