

dxva2_hevc_end_frame

```
graph LR; A[dxva2_hevc_end_frame] --> B[commit_bitstream_and_slice_buffer]
```

A flow diagram consisting of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'dxva2_hevc_end_frame'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'commit_bitstream_and_slice_buffer'.
