

vp78\_decode\_mb\_row  
\_sliced

```
graph LR; A[vp78_decode_mb_row_sliced] --> B[ff_thread_report_progress]
```

A diagram showing a call from the function `vp78_decode_mb_row_sliced` to the function `ff_thread_report_progress`. The first function is in a grey box, and the second is in a white box. A blue arrow points from the first box to the second.
