

process_command

```
graph LR; A[process_command] --> B[cqueue_resize];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'process_command'. The right box is gray with a black border and contains the text 'cqueue_resize'. A dark blue arrow points from the right side of the first box to the left side of the second box.

cqueue_resize
