

config\_input\_main

```
graph LR; A[config_input_main] --> B[ff_fill_rgba_map]; B --> C[AERROR]
```

A flowchart with three rectangular boxes connected by arrows. The first box, labeled 'config\_input\_main', is shaded gray. An arrow points from it to the second box, labeled 'ff\_fill\_rgba\_map', which is white. Another arrow points from the second box to the third box, labeled 'AERROR', which is also white. All boxes have a black border.
