

skip_mode_params

```
graph LR; A[skip_mode_params] --> B[cbs_av1_get_relative_dist]; B --> C[diff];
```

A flowchart with three rectangular boxes connected by arrows. The first box, labeled 'skip_mode_params', is shaded gray. A dark blue arrow points from its right side to the second box, labeled 'cbs_av1_get_relative_dist', which is white. Another dark blue arrow points from the right side of the second box to the third box, labeled 'diff', which is also white. All boxes have a black border.
