

av_fifo_generic_read

```
graph LR; A[av_fifo_generic_read] --> B[av_fifo_drain]; B --> C[av_fifo_size];
```

The diagram illustrates a three-step process flow. It begins with a box labeled 'av_fifo_generic_read', which is shaded gray. A dark blue arrow points from this box to a second, white box labeled 'av_fifo_drain'. Another dark blue arrow points from the second box to a third, white box labeled 'av_fifo_size'. All boxes have a black border and are arranged horizontally.
