

hnm_decode_frame

```
graph LR; A[hnm_decode_frame] --> B[copy_processed_frame];
```

A flow diagram consisting of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'hnm_decode_frame'. The right box is gray with a black border and contains the text 'copy_processed_frame'. A dark blue arrow points from the right side of the first box to the left side of the second box.
