

resample_child_class
_iterate

```
graph LR; A["resample_child_class_iterate"] --> B["swr_get_class"]
```

A diagram showing a call from the function `resample_child_class_iterate` to the function `swr_get_class`. The first function is in a grey box, and the second is in a white box. A blue arrow points from the first box to the second.

swr_get_class
