

bitstream_switching

```
graph LR; A[bitstream_switching] --> B[av_dict_get]; B --> C[av_toupper];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'bitstream_switching'. A dark blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'av_dict_get'. Another dark blue arrow points from the right side of the second box to the left side of the third box. The third box is also white with a black border and contains the text 'av_toupper'.
