

pp_bnk_read_header

```
graph LR; A[pp_bnk_read_header] --> B[pp_bnk_parse_track];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'pp_bnk_read_header'. The right box is gray with a black border and contains the text 'pp_bnk_parse_track'. A dark blue arrow points from the right side of the first box to the left side of the second box.
