

input_data

```
graph LR; A[input_data] --> B[input_data_internal]; B --> C[number_sbits];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'input_data'. A dark blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'input_data_internal'. Another dark blue arrow points from the right side of the second box to the left side of the third box. The third box is white with a black border and contains the text 'number_sbits'.

input_data_internal
