

ff_h264_draw_horiz_band

```
graph LR; A[ff_h264_draw_horiz_band] --> B[av_pix_fmt_desc_get]; A --> C[for];
```

A control flow graph with three nodes. The first node, 'ff_h264_draw_horiz_band', is a rectangle with a light gray fill and a black border. Two blue arrows originate from its right side. The top arrow points to a white rectangular node labeled 'av_pix_fmt_desc_get'. The bottom arrow points to a white square node labeled 'for'.
