

av_new_program

```
graph LR; A[av_new_program] --> B[av_mallocz]
```

A diagram showing a call from the function `av_new_program` to the function `av_mallocz`. The `av_new_program` box is shaded gray, and the `av_mallocz` box is white. A blue arrow points from the right side of the `av_new_program` box to the left side of the `av_mallocz` box.

av_mallocz
