

E:/github/ffmpeg/compat  
/atomics/gcc/stdatomic.h

```
graph TD; A["E:/github/ffmpeg/compat<br/>/atomics/gcc/stdatomic.h"] --> B["stddef.h"]; A --> C["stdint.h"]
```

The diagram illustrates the inclusion relationships of the `stdatomic.h` header file. A top box represents the header file's location, with two arrows pointing down to two separate boxes below it, indicating that `stdatomic.h` includes both `stddef.h` and `stdint.h`.
