

find\_header\_idx

```
graph LR; A[find_header_idx] --> B[find_expected_header]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'find\_header\_idx'. The right box is white and contains the text 'find\_expected\_header'. A dark blue arrow points from the right side of the gray box to the left side of the white box.
