

find\_frame\_rps\_type

```
graph LR; A[find_frame_rps_type] --> B[ff_vaapi_get_surface_id]
```

A diagram showing a relationship between two identifiers. On the left, a gray rectangular box contains the text 'find\_frame\_rps\_type'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'ff\_vaapi\_get\_surface\_id'. Both boxes have a black border.

ff\_vaapi\_get\_surface\_id
