

E:/github/ffmpeg/doc  
/tablegen.txt

```
graph TD; A["E:/github/ffmpeg/doc<br/>/tablegen.txt"] --> B["libavcodec/example<br/>_tables.h"]; A --> C["example_tables.h"]
```

The diagram illustrates a file generation process. At the top, a grey box contains the path 'E:/github/ffmpeg/doc/tablegen.txt'. Two blue arrows originate from the bottom of this box. The left arrow points to a white box containing 'libavcodec/example\_tables.h'. The right arrow points to another white box containing 'example\_tables.h'.

libavcodec/example  
\_tables.h

example\_tables.h
