

avcodec_get_type

```
graph LR; A[avcodec_get_type] --> B[avcodec_descriptor_next]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box, labeled 'avcodec_get_type', has a light gray fill and a black border. The right box, labeled 'avcodec_descriptor_next', has a white fill and a black border. A solid blue arrow points from the right side of the first box to the left side of the second box, indicating a function call or data flow.
