

pred_16x8_motion

```
graph LR; A[pred_16x8_motion] --> B[pred_motion]; B --> C[fetch_diagonal_mv];
```

A flowchart with three rectangular boxes connected by arrows. The first box, labeled 'pred_16x8_motion', is shaded gray. An arrow points from it to the second box, labeled 'pred_motion', which is white. Another arrow points from the second box to the third box, labeled 'fetch_diagonal_mv', which is also white. All boxes have a black border.
